Mt. SAC Foundation Celebrated a Stellar Year of Achievement

This was a year of celebration and progress for the College and the Mt. SAC Foundation as many new friendships and partnerships were forged, and significant funding milestones were met. The Foundation is deeply grateful to all who continue to help the organization fulfill its mission of meeting the ever-growing needs of the College and its students.

During the 2006-07 fiscal year, the Foundation:

- Raised \$175,000 through Mt. SAC's 60th Anniversary Campaign to support the Endowment and Scholarship Funds
- Raised \$370,000 in new funds available for scholarships
- Raised \$140,000 through special events
- Revitalized the Mt. SAC Alumni Association with active participation by alumni, students, faculty, staff, and community members
- Increased its donor base by 15%
- Increased new revenues over the previous fiscal year by \$1.35 million

We look forward to new opportunities and achieving new goals during the next fiscal year.
